

# ***LTISD Office of Community Programs Sharing Skills and Expertise***

## ***Share Your Expertise... Make a Difference!***

The Lake Travis Independent School District is creating a list of community members who are willing to share their expertise with our teachers and students for classroom presentations, career days, etc. This is a great opportunity for the community to enrich our classrooms and inspire our youth. If you join our list, teachers and/or principals at all levels of the District will be able to call upon you to reinforce classroom instruction with your life experiences and expertise, as they deem appropriate.

### ***Teachers have expressed a need for speakers in the following areas:***

- *Fine & Performing Arts*
- *Costume & Set Design*
